## **1841 Census**

### **Castle Place, Southsea**

**George White, 50, Stone mason, not born in Hampshire**

**George “, 25, painter**

**James “, 20, “**

**Jane “, 45**

**Amelia “, 15**

**Unfortunately George and his wife Jane both died before the next census in 1851 which would have told us their exact birthplaces. The other members of the family were all born in Hampshire, but despite that I have been unable to trace the White or Hunt families back any further.**

**George and Jane nee Hunt had four children, all baptised at the same time on 27<sup>th</sup> June 1824 at St Mary’s Portsea.**

**Their other child Matilda would have been about 20 years old, but has not been found in this census.**
